

Ryan J. Dykmans Director of Research

Ryan Dykmans is the Director of Research for Dunham & Associates Investment Counsel, Inc. In this capacity, Ryan is responsible for overseeing all aspects of the firm's Analyst team. He heads the Investment Committee and its efforts, including asset allocation design, institutional asset manager oversight and review as well as strategic investment initiatives such as product development.

Ryan started his career at Dunham in 2004. He leads the institutional asset manager selection process, including participation in over 100 manager presentations a year, and also provides the firm's financial advisors with thought leadership on issues pertaining to the economy and the financial markets, as well investment recommendations and strategies.

Ryan carries a Bachelor's degree in Accounting from the University of Redlands and holds FINRA Series 7, 24 and 66 registrations. Ryan lives in San Diego with his wife Nichole and their three children. He is an avid soccer player, coach of his son and daughter's soccer teams and is active in his community.

About Dunham & Associates

In 1985, Jeffrey Dunham founded Dunham with the uncommon idea that fees paid by clients should be tied, in some way, to the performance of the investments they own. Today, Dunham and Dunham Trust have grown to become a multi-billion dollar firm, but we are still driven by the values of fairness and accountability that Jeffrey envisioned more than three decades ago.
